To Whom It May Concern:

I am writing in support of _____ obtaining custody of his two minor children. I am his sister-in-law.

_____ is a caring and involved father. Those kids are the center of his life, and he has been there for them since day one.

Our children are about the same age, and play together often. When one of the kids needs help, _____ is the first to offer it. When he built a tree house for his own children and mine admired it, he built another one at our house! He let the kids help, too, so they felt involved in the process.

_____ would rather be a home, reading books to his kids or making up fun games, than anywhere else. I feel very safe leaving my own children in his care.

Please grant custody to my brother, in the best interest of the children.

Sincerely,
