Dear Sir/Ma'am,

I am Jyoti Bhatia, I am 21 years old and I am studying in AB University of India . I am currently pursuing Bachelor degree in Technology with specialization in ECE. I have have interest in IoT domain and I have dedicated myself towards building those projects. I have also received National Award for my IoT based Project . I have assisted several projects related to embedded systems and IoT. Along with the interest in technology I have a strong desire to study abroad in UK as I will be getting various learning opportunities and exposure. Moreover I find the courses which you offer best suited for my career goals. Therefore I am writing this letter to apply for IoT course in your College. I look forward to study in your college and achieve my goals for a bright future. Along with academics I have a good record of co-curricular activities and I have attached copy of certificates to this letter. I am also attaching academic and other relevant documents to this letter. I am hoping for a positive response and to be a part of renowned college like yours. Thank you for considering my application.

Sincerely

Jyoti Bhatia
